City of Mississauga
MEMORANDUM

R-1

To MAYOR AND MEMBERS OF COUNCIL

From Terence L. Julian

Dept. _____

Dept. City Clerk

January 30, 1985

SUBJECT: Tax Adjustments
File: J.06.02.05.

S.A. DATE FEB 6 1985

ORIGIN: Section 496-The Municipal Act

COMMENTS: Several applications for cancellation, reduction or refund of taxes have been prepared for Council's consideration on Wednesday, February 6, 1985, at 9:15 a.m.

Council may reject an application, cancel or refund the taxes as the case may be. The Municipal Act provides for an appeal by the applicant to the Assessment Review Board from the decision of Council or where Council refuses to hear or dispose of an application regarding the above mentioned matters.

The total reduction in taxes as recommended is \$342,925.30. This amount may be misleading as the Company name in some instances has changed, and so as to ensure proper liability, taxes levied under the old name have been cancelled. The Assessment Department will issue a Supplementary Assessment under Section 33 of the Municipal Act to the new name under which the business is being operated. In other instances, cancellation of taxes are for properties that have become exempt by reason of conveyance to the City for parkland under development agreements.

RECOMMENDATION: That the recommendation as shown on pages 1 to 21 inclusive of the 496 listing dated for February 6, 1985, of applications for Tax Adjustments under Section 496 of the Municipal Act be adopted.

Approved by:
City Manager

Terence L. Julian, A.M.C., C.M.C.
